

Giorgio MAGNAGHI

PARTNER

AXCELPartnersItaly

Giorgio has over 25 years of experience in developing medium-size companies in the chemical sector, with both an entrepreneurial and multinational approach.

He has a strong inclination towards innovation, sustainable growth, and efficiency.

He is a team leader, unconventional thinker, focused on economic results, people, as well as technological and cultural assets.

Giorgio owns a Master's Degree in Business Administration from SDA Bocconi and a Master's Degree in Electronics Engineering from the University of Genoa.
